NOVEMBER/DECEMBER 08

Thank you so much for your prayers and support!

"These things I have spoken to you, that My joy may remain in you, and [that] your joy may be full... You did not choose Me, but I chose you and appointed you that you should go and bear fruit, and [that] your fruit should remain, that whatever you ask the Father in My name He may give you."
John 15:11,16

Special Need

I am in need of some extra finances this month to put towards my car. My 2002 Honda Civic is running great, but it needs an alignment, tire rotation, and possibly brake work. I haven't taken it to the shop yet because I have been dreading the bill.

If you want to help me out with this special year-end need, I would be SO grateful! Just put a note with your gift saying it's for my car.

About Me

I've been an IM at the Rock House of Prayer for 2 years. I love to pray and watch how my prayers affect those around me and therefore the world. In addition to praying, I sing, play the cello, and do random graphic design projects.

If you would like to support me, please make a check out to "Rock of Roseville" (put "RHOP" in the memo) and attach a note, "for Alyssa Carlson". All donations are tax-deductible.

Prayer Works!

Because the nature of a prayer room is that we focus on praying "large" prayers (revival, the end of abortion, youth of the region, etc.), we don't often see the fruits of our labors. But recently I was gatekeeping (watching the information table outside the prayer room) and witnessed an interesting scenario. The Rock —the church that RHOP recently merged with— was hosting a class in the building. All of the sudden a man came out of the meeting saying he was never going to come back and loudly voicing how upset he was as he walked out the front door. I saw another man from the church follow him out. I closed my eyes and specifically asked the Lord to give the second man the right words that would get through to the first man's spirit. The next week, to my surprise, the man was back! I watched the man apologize to the class and explain that it was because of what the man from the church had said to him before he left that caused him to return to the class. It was a small thing, but it encouraged me that prayer works!
